I certify that I am registered with Selective Service. Attach a copy of your web registration record which can be found at [www.sss.gov](http://www.sss.gov).

I certify that I am not yet 18 and will register with Selective Service when I turn 18 and will provide the Office of Financial Aid a copy of the web registration record.

I certify that I am not required to register with Selective Service because:

I entered the country after age 26—bring your non-expired passport and entry documents to the Office of Student Financial Planning.

I did not register and I am age 26 or older. Send a “Request for Status Information” to Selective Service ([www.sss.gov](http://www.sss.gov)). When you receive a response from Selective Service, submit the response with this form, and a detailed letter from yourself explaining why you did not register. Include any documentation to support your reason(s). Your documents will be reviewed by the Office of Student Financial Planning Assistant Director and you will be notified of the decision.
